

Released October 2021

Section/Lesson/Topic	Section Name	Change Type
	GLOBAL	The courseware has been updated to align with the most current version of the Boson NetSim labs.
1G	Command Reference: Using NetSim	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
1G	Command Reference: Command Line Basics	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
1G	Command Reference: Basic Show Commands	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2A	Command Reference: Switch Basics	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2B	Command Reference: CDP	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2B	Command Reference: Link Layer Discovery Protocol	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2B	Command Reference: System Configuration Dialog	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2B	Command Reference: Switch and Workstation Configuration	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2B	Command Reference: Initial Switch Configuration	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2C	Command Reference: VLANs	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
2D	Command Reference: InterVLAN Routing	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
3C	Command Reference: Configuring IPv6	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
3D	Command Reference: IP <b>Address</b> Configuration on Switches and Routers	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
4A	Command Reference: Default Routes	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
4A	Command Reference: Configuring Router Interfaces	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
4B	Command Reference: Router Basics I and II	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
4C	Command Reference: Static Routes	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
4D	Command Reference: OSPF Routes	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
4D	Command Reference: Planning and Configuring Single-Area OSPF	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
4D	Command Reference: Configuring Static and OSPFv3 Routing	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
4D	Lab: Configuring Static and OSPFv3 Routing	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
5B	Command Reference: Configuring IOS Security Part II: TACACS	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
5B	Lab: Configuring IOS Security II: TACACS+	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6A	Command Reference: TFTP Commands	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>

6B	Command Reference: DHCP Configuration	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
6B	Command Reference: DHCP Relay Agents	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
6B	Command Reference: VLSM Practice	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
6C	Command Reference: NAT Configuration	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
6C	Command Reference: Dynamic NAT	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6C	Lab: Dynamic NAT	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6C	Command Reference: NAT Overloading and PAT	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6C	Lab: NAT Overloading – PAT	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6C	Command Reference: Many-to-One NAT	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6C	Lab: Many-to-One NAT	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6C	Command Reference: NAT Pool	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
6D	Command Reference: Configuring NTP	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
6E	Command Reference: Configuring DNS	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
6F	Command Reference: System Message Logging	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6F	Lab: System Message Logging	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6F	Command Reference: Configuring Network Device Management	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6F	Lab: Configuring Network Device Management	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
6F	Command Reference: Basic Network Services	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
7A	Command Reference: AAA	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
7A	Lab: AAA	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
7A	Command Reference: Standard ACLs	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
7C	Command Reference: Security Tools	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
7C	Lab: Applying Security Tools	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
9A	Command Reference: Debugging	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
9A	Lab: Basic Debugging	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
9C	Command Reference: Troubleshooting Multilayer Switched Networks	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
9C	Lab: Troubleshooting Multilayer Switched Networks Part I	<ul style="list-style-type: none"> <li>Deleted.</li> </ul>
9G	Command Reference: Troubleshooting NTP	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
9G	Command Reference: Troubleshooting DHCP	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
9I	Command Reference: Troubleshooting Port Security	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
9I	Command Reference: Troubleshooting Access Lists	<ul style="list-style-type: none"> <li>Updated list of commands.</li> </ul>
	PowerPoints	<ul style="list-style-type: none"> <li>Slides updated to reflect changes within the course content.</li> </ul>
