

Released April 2024

Lesson/Topic Section	Name	Change Type
Global		<ul style="list-style-type: none"> • Course Activities—All steps and images updated throughout to account for changes in the interface. • Figures updated throughout the course content. • Course Files— Data files, slides, Checklists, and assessment updated per changes to course content and interface. • Power BI now uses the word “summarization” instead of “aggregation” in the interface. This required changing the name of an entire topic and every instance of the word “aggregation” or “aggregate” throughout the course content and accompanying course assets.
