

Released August 2019

Section/Lesson/Topic	Section Name	Change Type
Appendix B	Mapping Course Content to the Project Management Professional (PMP)® Examination Content Outline	Updates were made to notify users of the updated Exam Mapping document, which maps the current course to the June 2019 ECO released by PMI and to notify them of the explanatory OV slide deck (found on CHOICE) that supports instructors that intend to discuss the structural changes of the new ECO with their students.
Course Files	Mappings	An additional mapping document has been added that includes the updates to the new version of the Exam Content Outline released by the PMI. Items that are new in the June 2019 version of the ECO appear in <i>italics</i> in the table.
Course Files	Overheads	An additional slide deck, PMP 2019 ECO and Exam Update Summary, has been provided with the course overheads. This is a short explanatory slide deck to support instructors who wish to discuss the structural changes of the new ECO with students.
